

Attention Lake Ridge Residents

Yard Waste Guideline Update 4/3/2020

Starting on Monday 4/6/2020, we are requiring that all residents reduce ***yard waste bags to a maximum of two.***

Charlie and Son Trash Service is working diligently to continue their duties. The safety of their customers, community and staff are very important. Please reference the following information below in relation to yard waste pick up:

- All grass, leaves and flower bushes must be bagged or placed in a covered trash can and then placed on the curb. Bushes or limbs up to 3 inches in diameter, are to be tied up into 3 to 4 ft. lengths. This will be at a maximum of 2 bags or trash cans per household.
- There is a 35-lb. weight restriction on all yard waste bags. Note: Charlie and Son will use their own discretion to determine weight and will not pick up rocks, sod, dirt, bricks, cinderblocks, iron, paint, mulch, hazardous or flammable material/liquids, or limbs/logs greater than 3 inches in diameter.
- Brush with thorns must be neatly tied up or cut up in 3-4 foot lengths and put in the trash can not to exceed the height of the trash can.
