"Hi, my name is Evelyn. Some of you may know me through my free giving on nextdoor.com and the story about the soldier and his letters.

I am running for the board of directors of LRPRA. In this way I can be of service to the greater community by seeing more and doing what needs to be done."

Thankyou.

I am like you a homeowner in Lake Ridge lived here for 30 years. My children attended school here and my grandchildren enjoy use of our beautiful parks and hiking trails. Love the outdoors and use the trails. As a member of the board that will be a focus and top priority based on the 2020 resident survey. My other area of interest is the architectural side of our community I want to make sure we continue to remain a vibrant green area. It is important that residents maintain properties to increase curb appeal and housing prices.

Respectfully, Tina

My motto is "when you fail to serve, you fail to lead". I had the privilege to command a large military complex that consisted of 1000 employees and 1500 residents while overseeing housing, infrastructure, facilities and grounds. Leveraging that experience as well as my experience on Prince William County' Planning Commission, my goals are to assist in finishing our trail system, creating a walkable/ bikeable community, enticing businesses to our vacant stores, while improving maintenance, landscaping, and safety within our community. If provided the opportunity to serve, I will work with all of you to upgrade and improve our community.

Achieve efficiency and economy in Association operations and implement policies ensuring the continuing success of the Association:

- Control costs while maintaining and enhancing property values, delivering high quality service to homeowners and maintaining superior appearance of Lake Ridge
- Timely and economical refurbishment of Association amenities
- Expansion/enhancement of Association amenities consistent with available resources and member desires.

*The Greatness of a Community is most accurately measured
by the compassionate actions of its members.*
